SQUARES**
SQUARE DANCE CLUB

Photo Policy

As Arlington Squares is both a square dance club and a social club, please be aware that photos and videos are often randomly shot at Club events of members, guests, and students enjoying square dancing and just being together. By participating in any Club activity, participants agree that any photographs or videos taken at such activities may be used by the Club as it deems appropriate, including for its website, social media, promotional materials, or other publications without additional, prior notice or permission, regardless of the participant's age, and without compensation to the participant.
